Dear Parents and Guardians:

We, the faculty of Coalfield School, like to brag on our student body by showing their pictures in the newspaper, yearbook, throughout the school, posted on the website, etc. We want to recognize them for their accomplishments plus inform the public and community of the great happenings at our school. This also includes taking pictures during the after-school sessions to demonstrate activities that involve our students. In order to continue to do this, we must have parental permission. Failure to return this form will mean that your student's picture will not appear, including the yearbook. We would like you to check the following to indicate your preference and return to us with your signature:

Student's Name _____

_____ **I agree to have my student involved in publicity and photos.**

_____ **I do not agree to have my student involved in publicity and photos.**

Parent or Guardian Signature _____

Thank you for your help regarding this matter.

Sincerely,

*Bob Bennett
